Good morning George

I am attaching photos of the Location listed in the subject box. Can you please send Dept. Of Sanitation and LAPD out to remove the items in the picture and assist us with moving the people along. I was able to encourage two subjects to leave and take their trash with them, however one subject and items remain. Your promo attention would be greatly appreciated.

Thank you !!

Hi Priva,

This location is on the list for LASAN clean up. I have requested to have it serviced on our next cleanup day.

Hi George.

12 more days is a little long to go for the businesses and residents of the area to deal with the problems of illegal drinking, drug use and trash dumping. Linolium City is the hardest hit by this problem and this needs to be addressed before the 14th. At the least is it possible to get LAPD northeast and rampart divisions to have the subjects not hang out? Northeast for the location in the subject box and rampart for the constant loitering that goes on at the JR. market directly across the street and the surrounding areas near Linolium City. I tried to get in touch today with Officer Matt Ziegler and found out he is on vacation until the 8th. Also too long to wait as this problem has become a matter of public safety. Any help quicker than the 14th would be greatly appreciated. Please George work your magic!!

I would like to meet with you in the area so you can see the problems first hand, just let me know a day and time.

Thank you again

Hi Priva,

I am aware that 12 days is quite a bit of time... it's not the answer I want to give but any guarantees apart from that would be misleading/dishonest. The location was originally scheduled for the 31st of July, but was not serviced due to LASAN's schedule.

Let me see what can be done in terms of scheduling and I will get back to you.

Best,
George
